Payment Options and Terms

1. **Full Pay Cash Discount** – We offer a 5.00% accounting courtesy for all treatment paid in full with cash, credit card or check* at the time of service, and when dental insurance is not being billed. Additional cash discounts may be provided for larger treatment plans. Please consult with our dentist or office manager for more details.
2. **Major Service Payment Option** – For your convenience, a two payment option for crown treatment is available. 50% of your balance is due at the first appointment, and the balance is due upon conclusion of your second appointment. This option requires a signed agreement form and, in most cases, a credit card on file for charge if payment is not received on time.
3. **Term Loan** – Through Care Credit, Impressions Dental can offer an interest free loan (up to 12 months) with no down payment to all pre-qualified patients. There are no annual fees and no prepayment penalty. No additional discounts are applicable when using Care Credit. Please contact our office manager for more information and an application.
4. **Senior Discount**—We are pleased to offer a 5% discount to all of our Senior patients! This discount is available to any patient at the age of 65 or older, and cannot be combined with any other offers. This discount does not apply when the patient is using dental insurance for services.

In order to prevent any misunderstandings, we ask you to accept and adhere to the financial arrangements we have agreed upon regarding your dental treatment. Thank you.

***Please note** – all checks are subject to approval through our verification system. As a result, post dated checks cannot be accepted.
